

CHAPTER 933. BICYCLES, SKATEBOARDS, ROLLER BLADES, AND ROLLER SKATES.

933.01. Prohibited Areas. No bicycles, skateboards, roller blades or roller skates shall be operated upon any sidewalk in any portion of the downtown business district in the area described as follows: bounded on the east by the center line of Stuntz Avenue, on the west by the center line of 9th Avenue West, on the north by the center line of Lake Shore Drive and on the south by the north right-of-way line of Third Street (Third Street sidewalks are not included).

933.02. Pedestrian Right of Way. Bicycles, skateboards, roller blades and roller skates may be operated on the sidewalks in public parks and in residential districts, but in single file only. Under all circumstances, the users shall yield the right-of-way to pedestrians using the sidewalks, and due and proper care shall, at all times, be exercised by the users for the pedestrians. When approaching a pedestrian on a sidewalk, the speed of a bicycle or skate board shall be reduced to a speed which is no greater than necessary to continue the operation of the bicycle or skateboard without the rider dismounting, and shall not be increased until the pedestrian has passed. When approaching a pedestrian, roller blade and roller skate users shall yield the right-of-way to the pedestrian and slow to a speed which allows for safe, controlled passing of the pedestrian.

933.03. Violations. Violations of this ordinance shall be enforced in the same manner and in accordance with the provisions as Chapter 504, Ashland City Ordinances, adopting Sec. 346.77 - 346.95, Wis. Stats.
