2023 BUDGET PROGRAM NARRATIVE
CITY OF ASHLAND MAYOR DUTIES – WIS. STAT.SEC. 62.09(8)**

Core Operations:

Description: The mayor's elected office in the City of Ashland (Pop. 7,905), which is for a 4-year term, is referred to as a weak mayoral system and is characterized by a shared administrative responsibility among the mayor, City Administrator, various boards and commissions and independent appointed officials.

The mayor by statute:

- Is a member of the city council;
- Presides at city council meetings;
- May vote on measures before the city council in the event of a tie vote;
- Has the power to veto actions of the city council.

As Chief Executive Officer of the city, the mayor has statutory duty to "take care that the city ordinances and state laws are observed and enforced and that all city officers and employees discharge their duties".

Additional responsibilities include:

- Head of the Police and Fire Departments;
- Nominates appointments to various city committees;
- Represents the city at Community, Federal, State, and Regional functions;
- Negotiates in the city interest;
- Assists in Economic Development;
- Communicates with the public about matters of interest.

**CITY OF ASHLAND WISCONSIN
2023 BUDGET PROGRAM NARRATIVE
CITY COUNCIL**

Core Operations:

Description: Legislative authority of the City of Ashland is held by the Common Council. The Council approves ordinances, resolutions, policies, agreements and contracts which promote the health, safety and welfare of the public. After the 2020 Census results confirmed a decline in population in the City of Ashland, a Census Ad Hoc Committee took the opportunity to reduce the size of Council seats (per Council's direction) and in turn, aldermanic districts, to represent the 7,900 citizens. Redrawn ward lines were approved by the City Council in October 2021, and accepted by Ashland County in November 2021. The City is comprised of 21 wards, combined equally by population to result in seven aldermanic districts. The Ashland Common Council is comprised of seven aldermanic representatives, each representing three wards. Each member of the Council is elected to serve a two-year term.

Outcomes: Council reviews recommendations previously vetted through staff and committees for final determination. Council responds to citizen comments and complaints and provides direction on the long-term public needs of the entire community. Council directs administration to research projects for the health, safety and welfare of the public.

The Committee of the Whole meeting is a work session-type meeting to update Council on current and future projects or ongoing plans, or bring forward issues that require discussion and answer questions before determining to 1) move forward for formal approval, 2) ask staff or committees to research for future discussion, or 3) table or revisit at a later date.

Training: Occasionally Council Members will take in events held for Superior Days, Wisconsin League of Municipalities, or other offered continuing municipal and legal training and education throughout the year, subsidized through the annual budget. A Council Retreat is held once or twice a year, along with management staff, to revitalize and strengthen the working relationships between Council and staff. Those new to the Council meet with the Mayor, Clerk and Administrator prior to their first Council meeting to familiarize them with meeting and legal procedures and expectations of their role as citizen representatives.

**CITY OF ASHLAND WISCONSIN
2023 BUDGET PROGRAM NARRATIVE
OFFICE OF CITY ADMINISTRATOR – ORDINANCE 28**

Core Operations:

Description: The City Administrator is charged with leading, planning, and directing the efforts of the City toward fulfillment of the goals and policies as determined by the mayor and common council. The City Administrator coordinates the day to day activities of the City. The mayor provides direct supervision of the City Administrator's office.

Per Ordinance 28 the general duties of the City Administrator include the following:

- Implementation. Carry out directives of the mayor and council which require administrative implementation, reporting promptly to the mayor and council any difficulties encountered;
- Day-to-Day Operations. Be responsible for the administration of all day-to-day operations of the city government including the monitoring of all city ordinances, resolutions, council meeting minutes and state statutes;
- Strategic Plan. Annually after the spring general election, the Administrator and Council shall jointly develop a strategic plan outlining the goals and objectives to be accomplished by the resources of City government for the following budget year;
- Efficiency. Establish when necessary administrative procedures to increase the effectiveness and efficiency of city government according to current practices in local government;
- Non-Voting Board Member. Serve as ex-officio nonvoting member of all boards, commissions and committees of the city, except as specified by the council or Wisconsin State Statutes;
- Keeping Informed. Keep informed concerning current federal, state, and county legislation and administrative rules affecting the city and submit appropriate reports and recommendations thereon to the council;
- Coordinate Funding. Coordinate initiatives to secure federal, state, county or private funds for local programs. Assist department heads and the council in obtaining these funds under the direction of the mayor and the council;
- Representation. Represent the city in matters involving legislative and intergovernmental affairs as authorized and directed as to that representation by the mayor and council;
- Public Information Officer. Act as public information officer for the city with the responsibility of assuring that the news media are kept informed about the operations of the city and that all open meeting rules and regulations are followed;
- Communication. Establish and maintain procedures to facilitate communications between citizens and city government to assure that complaints, grievances, recommendations and other matters receive prompt attention by the responsible official, and to assure that all such matters are expeditiously resolved;
- City Projects. Coordinate and ensure development of city projects such as the Waterfront Development Plan and Comprehensive Plan;
- Leadership. Contribute to and be a vital part of the leadership team that is charged with developing Ashland's future;
- Goals and Objectives. **CITY OF ASHLAND WISCONSIN
2023 BUDGET PROGRAM NARRATIVE
POLICE & FIRE COMMISSION – WI STATUTE – 62.13**

Core Operations:

Wisconsin State Statutes contain provisions for the creation of Police and Fire Commissions. The purpose of these provisions in the Statutes was to remove political influences from the management of the police and fire departments and to provide basic protection and security in employment, promotion, and disciplinary practices. The authority to formulate and administer policies as to the operation of the police and fire departments lies with the chiefs of those departments under the direction of the Mayor and in cooperation with the City Council. The defined role of the Police and Fire Commission is to:

- Appoint, suspend or remove the Chief of the Police Department and the Chief of the Fire Department.
- Approve all appointments made by the Police Chief and the Fire Chief, including the promotion of subordinates.
- Approve competitive examinations used to judge suitability for appointment of subordinates.
- Approve each list of individuals determined to be eligible for appointment.
- Suspend the Chief of a department or subordinates pending the filing and hearing of charges against them.
- Initiate charges against the Chief of a department or any subordinate.
- Hear charges filed against the Chief of a department or a subordinate, make findings and determinations, and impose penalties.
- Hear appeals of disciplinary actions initiated by the chief of a department against any subordinate.

Goals:

1. Goal: Hold regular Commission meetings to maintain effective communications with the Fire Chief and Police Chief.
2. Goal: Provide statutory oversight for disciplinary activities of the Police Chief and Fire Chief.
3. Goal: Conduct interviews of candidates for positions in the Police and Fire Departments.
4. Goal: Complete and update the policy manual regarding rules and regulations governing the Police and Fire Commission.

2023 BUDGET PROGRAM NARRATIVE
OFFICE OF CITY ATTORNEY – SECTION 62.09(12) STATUTES**

Core Operations:

Description: The City's legal representation consists of several components. The City Attorney, by statute, represents the City in all legal matters in which the City has an interest. The City Attorney serves as the lead representative in labor negotiations. The City also retains specialized legal services for particular issues that come up. Likewise, the City is assigned counsel by its insurance company to represent it in suits and other civil actions.

Outcomes: The legal group of Anich, Wickman, & Lindsey SC are contracted for legal representation, led by Attorney Tyler Wickman. This contract was renewed in May 2021 for a two year term ending June 1, 2023. Legal fees are paid hourly, divided by the tenth of an hour if necessary, and are charged to the City and its enterprises accordingly. The agreed hourly rate is \$175/hour throughout the two-year agreement.

To insure the City, its staff, and governing board are properly represented in all legal affairs, the appropriate documents are reviewed and properly vetted, that the municipality complies with all appropriate legal requirements established by superior authorities, and that violations of municipal ordinances are properly prosecuted.

The City Attorney is present at Council meetings and as needed during Committee of the Whole meetings. To lessen charges to the City, the Attorney may defer the creation of contracts, agreements, ordinances, resolutions, etc. to City staff, and will review and consult with staff for legal appropriateness.

**CITY OF ASHLAND WISCONSIN
2023 BUDGET PROGRAM NARRATIVE
HUMAN RESOURCES/SAFETY**

Core Operations:

Description: The Human Resources/Safety budget funds the Human Resources/Safety Director position. The primary duties of the Human Resources/Safety Director are: manage all aspects of human resources, employee records, administer employee benefit programs, and ensure employee health and safety. Work is performed under the general supervision of the City Administrator in accordance with Wisconsin State Statutes governing municipalities and with local ordinances and regulations.

Outcomes: There are several overarching goals the Human Resources/Safety Department continues and strives to achieve. These specific goals are: 1) accurate and timely processing of information, grievances and complaints; 2) effective delivery of HR services and maintenance of employee records; 3) developing a more informed workforce on topics related to human resources and employee relations; 4) encouraging and enhancing professional workplace development; 5) developing an employee safety plan in conjunction with individual departments; 6) assisting departments in recruiting a diverse and professional workforce; 7) developing and implementing appropriate assessment mechanisms to solicit feedback on performance; and 8) developing a compensation strategy which partners with performance. These goals are an expected outcome of the Human Resources/Safety Department and will continue to be developed and improved as necessary to maintain the needs of the diverse workforce of the City.

Specific outcomes of the Human Resources/Safety Department are as follows:

- The Human Resources/Safety Department continues to serve the needs of the City's workforce of an average of 95 full time employees, 5 part time employees and 35 limited term/seasonal employees. Payroll is processed bi-weekly for all employees.
- Benefit administration for employees is an ongoing process and continues to be ever changing in the public sector. Several changes were made to benefits available to municipal employees with the adoption of Act 10 and Act 32.
- Oversee and assist in implementing a consistent performance evaluation system which produces accurate results in an efficient and effective manner.
- Foster a well-informed workforce who has access to useful and meaningful data, training, and other helpful resources.
- Continue to comprehensively update the Employee Handbook to reflect necessary changes and keep the City's workforce well informed of changes to policy.
- Facilitate the City's Safety and Wellness Committee (SWC) to ensure the City is focusing on safety for all employees. Develop training, work with partners to reduce the occurrence of workplace injuries and illnesses, and increase the access to wellness activities and resources for all employees.

**CITY OF ASHLAND WISCONSIN
2023 BUDGET PROGRAM NARRATIVE
ELECTIONS**

Core Operations:

Description: The City of Ashland administers all local, school district, county, state and national elections occurring in the city limits in accordance with Wisconsin Statutes. There is one 3/4-time employee, an "Election Specialist" who is in City Hall through the election "season", approximately mid-September through mid-May.

Even-numbered years potentially have four elections – the spring primary and spring election and the fall primary and general election. Only spring elections are held in odd-numbered years. The cycle of two elections in odd-numbered years and four in even-numbered years creates a considerable fluctuation in the elections budget. It has been recommended to the City that the election budget be kept "artificially static" by budgeting funds in the odd-numbered years into a "transfer to capital equipment" line item.

The City has designated available polling locations that require set up and take down by municipal employees. Multiple polling locations also require staffing by appointed poll workers. All poll workers are appointed by the Ashland Common Council and are issued the oath of office by the Clerk or Deputy Clerk. The City of Ashland polling locations are Northwoods Technical College-Ashland at 2100 Beaser Avenue, and the Bretting Community Center, 400 4th Avenue West.

The City uses electronic poll books, or Badger Books, to replace hard copy poll books. There are programmed by the State and updated and tested regularly.

Outcomes:

- Registration of voters and keeping voter registration lists current.
- Maintaining the City's election on WisVote.
- Publishing election notices as required by Wisconsin Statutes.
- Processing materials for candidates for City offices.
- Recruiting and obtaining poll workers and polling places for each election.
- Training poll workers.
- Ordering paper supplies including ballots.
- Preparing polling places and setting up voting machines.
- Coordinate Central Count with the Municipal Board of Absentee Canvassers.
- Preparing election supplies for use at the polling places.
- Processing all absentee ballot requests including coordinating in-person absentee voting.
- Work with special voting deputies to conduct absentee voting in nursing homes.
- Construct the election emergency contingency plan.
- Provide community information & education regarding any proposed election changes.

**CITY OF ASHLAND WISCONSIN
2023 BUDGET PROGRAM NARRATIVE
TECHNOLOGY SERVICES DEPARTMENT**

Core Operations:

Description: The Technology Services Department manages the electronic voice and data information systems of municipal government and the security of them. The system consists of a wide area network (WAN) connecting the local networks and individual computer work stations at City Hall, Ashland Fire Station, Police Station, Public Works, Wastewater Treatment Plant, Water Treatment Plan, Vaughn Library, Bretting Center, Ashland County Law Enforcement Center and the County Courthouse. The City is also a partner in the Chequamegon Area Records System (CARS), a shared law enforcement information system and data center managed by the City, Ashland County and Bayfield County.

Outcomes: To ensure that the trouble-free operation of electronic voice and data information systems meet the needs of employees, the governing board, and citizens of the community for the efficient delivery of municipal services.

**CITY OF ASHLAND WISCONSIN
2023 BUDGET PROGRAM NARRATIVE
ASSESSOR**

Core Operations:

Description: The Assessor is responsible for assessing and valuing all Real and Personal Property according to Wisconsin Statutes Chapter 70. The City's assessment services are provided by Associated Appraisals of Appleton through a 5-year contract expiring in 2026. The City Clerk supervises the assessment process and works directly with the Assessor to determine the City's ongoing needs. Assessment records are kept at City Hall when they are not being used by the Appraisal Firm.

The Assessor must maintain the level of assessment within ten percent of the equalized value and keep the equalized ratio of the classes (residential and commercial) within 10% of each other.

Outcomes: The Assessor continues to maintain and update the City's assessment records as necessary. The Assessor is responsible for answering all correspondence concerning the assessed values of property. The Assessor and his staff assess all new construction, improvements being remodeled, partially completed improvements, all properties in which buildings have been destroyed or moved, and all properties which the original parcel has been split into two or more parcels. All property records are updated and property records are made for new parcels.

The Assessor completes and sends out self-reporting personal property forms to all personal property accounts in the City and analyzes the returns.

The Assessor completes all forms as required by the Department of Revenue, including final reports and TID reports, and the Department of Agriculture by the Assessor is completed. The Statement of Assessment is completed by the Ashland County Land Description office and electronically with the State.

The Assessor completes the revaluation and will conduct open book hearings hosted. The Assessor attends meetings of the Board of Review to explain and defend assessed values and testifies when necessary under oath in regard to such values. The Assessor completes and files the assessment rolls.

As the City has just completed the revaluation process, years 2022 through 2026 will be considered maintenance years, with the potential of an interim market update during either 2025 or 2026 for an additional fee. Compensation is as below for the 5-year contract with Associated Appraisal Consultants, Inc:

- 2022 \$30,000
- 2023 \$30,250
- 2024 \$30,500
- 2025 \$30,750
- 2026 \$31,000

The City takes advantage of the optional website posting at a rate of \$0.015 per parcel (~4441 parcels) for approximately \$66.62/month.

**CITY OF ASHLAND WISCONSIN
2023 BUDGET PROGRAM NARRATIVE
FIRE AND AMBULANCE**

Core Fire Operations:

Description: The Ashland Fire Department has been in operation as a paid department since 1897. Since that time, the department has evolved into a multi-faceted operation. All members are trained as certified fire fighters through the State of Wisconsin. In 2015, the City of Ashland received notification that the ISO Public Protection Classification (PPC) was improved from a 4 to a 3 due to increased training, and more consistent staffing levels. ISO's Fire Suppression Rating Schedule (FSRS) is used to measure the firefighting capabilities of communities. Communities whose PPC improves may get lower insurance prices.

- Outcomes:*
- *Average of 280 "fire" related responses each year
 - *Fire protection to the City Of Ashland and the Townships of Gingles, Eileen, and Pilsen (123 sq. miles served)
 - *EMS protection to the Townships of Sanborn and White River in addition to Ashland, Gingles, Eileen, and Pilsen (328 sq. miles served)
 - *Mutual Aid fire protection to 6 surrounding fire depts. (average per year 12).
 - *Auto extrication (Respond to 50-60 motor vehicle accidents per year)
 - *Ice Rescue Program: (All staff members are certified Ice Rescue Technicians through Dive Rescue International, with three in-house instructors).
 - *Fire Prevention Program (Incident reduction through education)
 - *Fire Inspection Program: (1,300 Inspections completed annually)
 - *Hazardous Materials Mitigation: (Contracted/Funded by the State as a Type II team)
 - *Carbon Monoxide Investigations
 - *Fire Origin and Cause: (Two department Officers certified to conduct fire investigations)

Core Ambulance Operations:

Description: Until 1967, the Ashland Fire Department was a standard firefighting Department. In 1967 the fire department took over the local ambulance service providing basic medical treatment. The department advanced to the EMT Paramedic level in 1996. The department has had several operational changes in 2015. An alternate staffing plan was implemented to reduce the number of FF/Paramedics from 20 to 18 and hire 6 FF/EMT-Basics. Staff changes were designed to capture the lost revenue of the 240 + transfers that the department was unable to make in prior years due to staffing limitations. In 2016, the department provided 545 interfacility transfers. The plan has increased the collected revenue and reduced the overtime expenditures by 60%. In addition, the department has trained seven staff members to the Critical Care Transport Paramedic level, which has allowed immediate transport of the critically ill or injured patients to higher level or specialized care outside of Ashland. Lastly, the department was approved by the State of Wisconsin to operate as a one (1) paramedic system in 2016. The one paramedic rule allows a Paramedic to operate with an EMT-Basic, which has given the department the ability to manage staff accordingly due to multiple and/or the simultaneous 911 events.

In 2017, the Ashland Fire Department entered into a partnership with Memorial Medical Center to create a Mobile Integrated Health care system using a Community Paramedic who is on staff at AFD to make house visits of medical patients who may need additional assistance. This includes wound care, medication compliance education, and home safety checks. This included 40 visits in 2018 that averaged 2.57 hours per visit. The purpose of this program is to reduce readmissions into the hospital, which also reduces 911 EMS calls. In 2020, a second Community Paramedic was added following the required training. In 2022, that paramedic retired and we currently do not have a Community Paramedic on staff, but hope to in the future. The partnership with MMC continues and is a great example of how our two agencies can work together to meet a common goal.

- Outcomes:**
- *Paramedic Services to the City of Ashland and the Townships of Sanborn, Gingles, Eileen, Pilsen, and White River. **A total service area of 328 sq. miles.** (2,542 calls-2021, a **13% increase** from 2020)
 - *Paramedic Advanced Life Support Intercept Services to 11 surrounding ambulance services (321 calls-2021—a 16.9% increase)
 - *2021 Interfacility transports: 301 interfacility transfers, a **28% increase** from 2020) AFD is able to provide Critical Care Transport of patients with 6 Paramedics who are trained to the Critical Care Paramedic level.
 - *Community Paramedic Home Visits—26 in 2021, a **30% increase** from 2020.
 - *2021 Ambulance(s) staffed; ABC Raceway, Madeline Island Swim & Marathon, Whistle Stop Event, WI DNR and US Forest Service Pack Testing.

Additional Services Operations:

Description: Additional services provided by the department include:

- *Child car seat installation/inspection-average 53 a year
- *Public education-includes, but is not limited to: fire prevention/safety, medical training, ice safety, etc...
- *Training Center (preceptorship) for EMT and Paramedic students, as well as internship location
- *Grant Writing

Outcomes: Providing quality fire/rescue and EMS service to the City of Ashland and surrounding community in a cost-effective manner while addressing today's needs as well as those of a changing community.

- *Fire/Rescue calls (187 calls-2021)
- *Service calls (111 calls-2021)
- *33% of the time we respond to two or more calls at once

BUILDING INSPECTION & WEIGHTS AND MEASURES

Property Maintenance/Housing Specialist:

Description: The Property Maintenance/Housing Specialist is responsible for the equitable enforcement Ordinance 750: Property Maintenance Ordinance in the City of Ashland pertaining to the exterior maintenance of properties (primarily structural deficiencies, junk, debris, long grass, snow removal, etc). Enforcement activities also include taking proactive measures to educate the public on property maintenance expectations and resources assistance. This position is responsible for implementing the Housing Improvement Program (HIP) to result in aesthetic improvements to single-family residences throughout the community, and assisting in promotion of the City's Community Development Block Grant Housing Revolving Loan Fund. Additional responsibilities include maintaining the City's Rental Registration Database, and being a resource for landlords and tenants.

Outcomes: Property maintenance and Housing infrastructure are major concerns with Ashland citizens and are very important in projecting an attractive image for future investment in residential neighborhoods and in the business community. This full-time position aims to create aesthetics improvements in neighborhoods and assist those needing assistance to comply with the property maintenance ordinance and to improve the quality of housing/properties in Ashland.

Building Inspector:

Description: This position is contracted out as a professional service, as opposed to having a city staff position. The Building Inspector is primarily responsible for the inspection of buildings and structures for compliance with the Uniform Dwelling Code, Commercial Building Code, and City of Ashland Property Maintenance Ordinance.

Outcomes: The Building Inspector provides needed services in administering building permits to ensure safe and compliant construction methods for all building projects in the City. The Inspector also ensures structural maintenance of properties within the City.

**CITY OF ASHLAND WISCONSIN
2023 BUDGET PROGRAM NARRATIVE
PUBLIC WORKS DEPARTMENT**

Core Operations:

Description:

The Public Works Department is responsible for the protection and maintenance of all city infrastructure and rights-of-way, including but not limited to City streets, sidewalks, storm sewer system, street lighting, landfill/recycling and engineering/GIS. Water Utility and Wastewater Utility enterprise funds are also part of the Public Works Department.

Outcomes:

Approximately 7,900 residents, 3500 households receive services provided by the Public Works Department. The department strives to protect the investment of the City's infrastructure to help Ashland become a more exceptional place to live, work and recreate.

Administration:

Description:

The Streets, Water Utility, Wastewater Utility, Facilities, Parks/Grounds and Engineering Divisions fall under the direction of the Public Works Director. The Public Works Director performs professional, administrative and complex technical duties regarding planning, organizing and directing all public works activities within the City. The Public Works/Utility Administrative Manager is responsible for public relations, department budget, oversight of payroll and monitoring budget expenditures. The Public Works Clerk acts as the receptionist, provides customer service and project related administrative support, prepares accounts payable, issues department billings and maintains records and applicable reports for the Streets, Facilities, Parks/Grounds and Engineering Divisions. The Utility Billing Specialist/Administrative Assistant assists with general reception duties, provides related customer service and project related administrative support, prepares accounts payable, issues department billings and maintains records and applicable reports. In addition, the Utility Billing Specialist/Administrative Assistant prepares bimonthly utility bills for approximately 3200 utility accounts and manages associated collection processes.

Outcomes:

To develop long term department planning, public relations, civic and community support, and follow through with maintenance activities and capital project delivery to provide exceptional health, safety and environmental measures. To provide an environment that will motivate, train, retain, and improve employee productivity, customer service and work habits.

Engineering/GIS:

Description:

The Assistant Public Works Director/Civil Engineer is responsible for permits, designs, estimates, change orders, standards, and project management for most City streets and utility projects and completes most State requirements including bi-

annual street and sidewalk inspections. The GIS Specialist was previously a full time position. Since 2021, the City has contracted for services to manage the City's GIS system for both internal and external customers and collects data to be used for datasets.

Outcomes:

To maintain and update the current GIS system to help reduce research time for internal customers. The Engineering division is essential in planning and managing projects to maintain and improve infrastructure for the future of the City.

Roadway Maintenance:

Description:

Public Works personnel are responsible for maintaining the city's infrastructure. Fleet maintenance for all city owned vehicles is completed by two (2) mechanics. Snow removal, spray patching, street cut repairs, rural road maintenance, sign installation and repair, alley maintenance, tree cutting/trimming and roadway line painting are essential duties performed for the safety of visitors and residents of the City. The street department maintains:

- 66.91 miles of streets
- 13.95 miles of alleys
- Snow Removal per City of Ashland Snow Removal Policy
- Maintain 4,340 trees
- Maintenance to all 72 city owned vehicles and miscellaneous equipment

Outcome:

To provide and maintain safe and reliable infrastructure. Roadway maintenance is important for safety and economic development of the community and vehicle/equipment maintenance in order to ensure the reliability of City services.

Street Lighting:

Description:

Public Works personnel maintain the decorative street lighting, traffic signals and all electrical components owned by the City of Ashland. The department maintains:

- 35 Traffic Light Structures
- 285.49 Acres of Electrical Responsibility Areas (parks, city facilities)
- 485 Lighting Structures

Outcome:

For the safety of residents and visitors of the community, it is important to keep all traffic and lighting structures functional.

Sidewalk:

Description:

Public Works personnel provide sidewalk snow removal in the downtown business district, parks and city owned

properties during the winter season. During the remainder of the year, sidewalk repair and weed control are a component of the maintenance program.

- 40.88 miles of sidewalk (5 city blocks in the business district)

Outcome:

For the safety of residents and visitors of the community and to encourage economic development. Regular maintenance of city sidewalks is also a requirement of the City's liability insurance.

Storm Sewer:

Description:

Storm Sewer maintenance includes sweeping the City streets on a regular basis from April through November. As time allows, Public Works personnel jet and clean the storm sewer system, including mains, manholes, and catch basins and provide required repair/maintenance. Jetting and cleaning of storm sewer mains and catch basins is a best management practice for improving water quality of the storm water system that ultimately empties into Lake Superior. This includes the following:

- 44.26 Miles of Storm Sewer Mains
- 638 Manholes
- 1,551 Catch Basin Inlets
- 143 Storm Outfalls and Cleanouts
- 495 Culverts
- 5.55 acres of Retention Ponds

Outcome:

As the City's storm water empties into Lake Superior, it is extremely important to protect the environment. Therefore, as time allows, Public Works personnel perform annual routine maintenance to the storm sewer system.

Parking Facilities:

Description:

Public Works personnel maintain the city's 17 parking facilities. This includes snow removal, roadway line painting, mowing, landscaping and pot hole patching.

- 17 Parking facilities totaling 6.32 acres

Outcome:

Well-maintained parking facilities provide safe and convenient parking locations for the residents, employees and visitors of the community. Parking facilities promote economic development for the downtown business district.

**CITY OF ASHLAND WISCONSIN
2023 BUDGET PROGRAM NARRATIVE
PUBLIC WORKS DEPARTMENT – SANITATION**

Refuse and Garbage Core Operations:

Description:

Public Works personnel are responsible for the collection of solid waste from all city owned facilities. Seasonally solid waste is collected from trash containers on Main Street, trash containers on the Ashland Rails to Trails System, trash containers and dumpsters from various city parks. Spring Clean-up is held annually for residents to drop off household waste at Republic Services at no cost or via a reduced fee. The Department is responsible for the removal of dead animals and other debris from roadways to ensure public health and well-being.

Weekly residential Solid Waste and bi-weekly recycling weekly curbside services are contracted through Republic Services but Public Works staff provides day to day coordination of these services, such as alternative collection due to service disruption or the replacement of containers.

Outcomes:

For the health, safety and well-being of the residents and visitors of the community Public Works personnel, on a regular schedule, collect solid waste from properties owned by the City and contract out waste collection services from residential properties.

Landfill Core Operations:

Description:

Although the solid waste landfill has been closed for a number of years, the compost area and City wide landscaping disposal continues to be an active part of the landfill. Compostable materials are collected at the Public Works facility and transported to the landfill site for no fee. The department has seen an increase in the number of people who use the Public Works drop off area to dispose of yard waste.

The landfill site requires continued maintenance and regulatory compliance by the Wisconsin Department of Natural Resources. The area must be mowed, the landfill pumps maintained and the leachate collection system maintained. Ground water is monitored in accordance with the Wisconsin Department of Natural Resources regulations. The City has begun contracting for these services for efficiency and to ensure DNR compliance.

Outcomes:

City residents have the ability to dispose of yard waste materials at the Public Works Garage at no cost. The Department manages and utilizes the materials for future projects. Regular groundwater monitoring protects the environment in and around the area.

PARKS AND GROUNDS MAINTENANCE**

Core Operations:

Grounds staff are responsible for the facilities and grounds maintenance in 23 parks encompassing 191.96 acres, a multi-use trail system of over 12 miles and 8 different softball or baseball fields. In addition to the parks, there are 110.02 total acres of city owned green space that require grounds maintenance. Parks staff, in coordination with the Public Works Division, complete capital projects on an annual basis in various parks, as identified in collaboration with the Parks and Recreation Director.

Description:

Grounds maintenance includes, mowing, weed control, playground equipment maintenance, tree trimming and planting. Eight limited term employees are hired seasonally to maintain the green space from May through mid-October. The staff mows 350 acres weekly during the growing season. Full-time park personnel continue to repair and maintain all property within the City parks year-round. Personnel seasonally place park benches and trash receptacles throughout the city.

Outcomes:

A safe and well-maintained park system for the residents and visitors of the community.

2023 BUDGET PROGRAM NARRATIVE
PARKS AND RECREATION DEPARTMENT**

The City of Ashland Parks and Recreation Department has existed for over 45 years. While its name has varied, its purpose has stayed the same: *to meet the needs for recreational resources by improving the quality of life for the regional residents and visitors.* The Parks and Recreation (APR) has been housed in the Bretting Community Center (BCC) since 2000. APR provides a variety of program opportunities for all ages; including but not limited to gymnastics, flag football, No School Day Programs, baseball, softball, tennis, pickleball, Fun Run and Read (with the VPL) and numerous community events. The BCC is able to offer visitors a full sized gymnasium and a game room equipped with a pool table, air hockey table, ping pong table, legos, art corner and Ashland Rotary LHS Indoor Playground. The facility also features the only gymnastics facility in the Chequamegon Bay. Patrons can also rent the game room and gymnasium spaces for private events.

Historically APR staff has also collaborates with community organizations to host the AFD Toy Drive, Cheeky Monkey Boo Bash Party, Color Run, Loose Caboose Kids Foot Race, Snowshow Stomp, Kids Day at the Farmers Market, SPARK Fest, Rain Barrel Sale, and other events at little to no cost to the partnering entities yet serving our community members.

Ove the past year, APR was able to host the Snowshoe Stomp, Chequamegon Bay Kite Fest, Ashland Bike Rodeo, Movies in the Park, and various sports clinics . Over the past year, APR has been able to host 12 weeks of summer Day Camps, gymnastics, tennis, U10-U14 Girls Softball, U16 Boys Baseball (formerly Babe Ruth), U6 Baseball, Flag Football, Pickleball, Skateboard Class (collaborative program with SPARK), No School Days programming and new in 2022 a composite middle and high mountin bike team participating in the Wisconsin MTB league.

Over the past year the BCC has hosted the Whistlestop half and marathon and Cruisin the Corridor packet pick up, community job fairs, Chequamegon Bay Karate Club, Lifeline Screening, and SPARK.

APR Staff is not only responsible for running the BCC and community recreational programming, but the staff is also responsible for the customer services and financial accounting for the City's parks, campgrounds and pavilions. From May – October the front office at APR spends up to 70% of their time answering camping questions, taking pavilion and month long camping reservations, returning deposits and communicating with camp hosts and park care takers about the parks/campgrounds reservations. APR staff is also responsible for scheduling camp hosts at Kreher and Prentice RV Parks.

APR staff also sit on the Ashland Ore dock Charitable Trust, Ashland Beautification Committee, Parks and Recreation Committee, Lake Superior Collaborative, Wisconsin Coastal Beaches Working Group, International Joint Commission – Water Quality Board, City of Ashland Safety and Wellness Committee, Wisconsin Parks and Recreation Association Board of Directors, and other local organizations focused on improving the lives community members through educational and healthy lifestyle options.

In 2022, APR staff worked to secure funding for the Ashland Oredock Redevelopment : Diamond Access and ADA access to the Oredock and Waterfront Trail Rehabilitation, a new swingset at Kreher Park, design and engineering documents for the Waterfront Trail Reconstruction (22nd Ave W to 15th Ave W), and revitizing the City of Ashland's Urban Forestry Program by updating the City's tree inventory. City of Ashland was once again recognized as a Bird City and in 2022 once again became a Tree City USA.

In 2022, the City staff also supported efforts of community member to revitalize the East End Community Park. This venture lead to raising \$50,000 to resurface the old tennis courts and refurbish them into a basketball and multiuse court, plus other park improvements.

APR staff continues to work diligently with other City Departments, community organizations and grantors to find money to continue to improve aging playgrounds, update park amenities, maintain ballfields, and provide old and new recreational programs in our community. Along with improving community assets, APR staff has been involved in the outreach and education effort about water quality.

APR service areas are divided up into five (5) categories: Administration, Adult Programs, Committee Management, Community Programs, and Kids Programs. Below are descriptions of each category and what programs fall within that category along with the 2023 outcomes for each.

Kids Programs

Description: These programs are designed for kid’s ages 0 – 18 years old. These programs include: Fun N Run, Girls Softball, Baseball, Flag Football, School Ages Programs, Tennis, and pickleball. The gem of APR’s kids programs is the Bay Area Gymnastics program, coordinated by Donna Kurilla. It has created a legacy of top notch athletes and coaches. Gymnastics classes are a fun way for children to learn basic gymnastic skills under the supervision of trained professionals. The Bay Area Gymnastics Program provides girls and boys with opportunities to develop skills through a regimented program for youth ages 2 - 18. There are approximately 135 participate currently in in the fall gymnastics program with a waiting lists in several levels. APR is the also the home for the Ashland High School Gymnastics team, which has participated and placed as a team and individually State every year for the last 10 years.

Outcomes: In 2023 APR will continue will offer quality, cost effective, affordable kids programing for the Chequamegon Bay Area.

APR will continue to work with community members and organization to fill the voids/needs for kids programming, especially for preschool aged children and parents.

APR will continue to look for volunteers to assist in implementation of programs such as football, softball, baseball and gymnastics.

Community Programs

Description These programs cover a wide range of people (kids – adults) and benefit the community at large:

East End Skating Rink – The East End Skating Rink and warming house is open for approximately 8 weeks each winter, Thursday – Sunday 4-8pm. The East End Warming house is staffed by Northland College Work Study Student and rink is maintained by the Parks and Public works staff.

American Red Cross Training: Safety training classes for community members and city staff include CPR/First Aid/ AED Training

Special Events : Ashland Bike Rodeo, Lego Contest, Snow Show Stomp, and Chequamegon Bay Kite Fest

APR also participates in several community open houses, fests, etc to assist in marketing programs and recreation opportunities in Ashland.

Outcomes: In 2023 APR will continue to work with community entities to provide quality, cost effective and affordable events for the community.

APR will continue to look for volunteers to increase the hours the East End Warming house is open.

Administration

Description: This category encompasses all “programs” that happened behind the scenes and are some of the core programs of APR: Accounting and Financial Management of Recreation Programs, BCC, Pavilions and Campgrounds; Program and Camping Registrations; Month Long Camping, BCC and Pavilion Reservations; Customer Service; Park Planning, Grant Writing and Grant Management; Recreational/Special Event Program Planning; Program Work Study/Intern/LTE Supervision; Marketing/Communications/Public Relations; Ore dock and Superfund Site Concept Plan Deveopment, Park and Trail Development and Staff Training.

APR staff belongs to several professional organizations: Wisconsin Parks and Recreation Association, IJC-Water Quality Board, National Parks and Recreation Association and USA Gymnastics.

APR assists in updating the City’s social media sites (Facebook, Instagram, Twitter) for community communications.

Outcomes: APR Director plans to again attend the Annual WPRA and NRPA conferences. The Gymnastics coordinator plans to attend USAG Nationals to help staff improve current programs, create new programs and gain confidence and skills needed to be a successful manager.

Work with Public Works on bidding, construction and completion on the Ashland Oredock Redevelopment Project: Diamond Access, Kreher Park/Superfund Site Redevelopment: Water Access and other parks/trail projects

Update and Implementation of a Work Study/Intern/LTE manual and orientation program

Boards/Committee

Description: APR staff currently sit/advise several boards/committees: Parks and Recreation Committee, Oredock Charitable Trust, Ashland Rotary, and Wisconsin Coastal Beaches Working Group, Interntional Joint Commission -Water Quality Board, and the WPRA Board of Directors. The PRC consists of community members and city councilors, and is an advisory board for APR; the Director is responsible for the agenda and packet creation and distribution.

Currently the Director is the Secretary for the Oredock Trust, responsibilities include sending out meeting notices, agenda and packet creation and packet distribution. Director is just an active member of the WPRA, , IJC-Water Quality Board, and Wisconsin Beaches Work Group.

Outcomes: Based on the mission of the City of Ashland, the Director will continue to attend community meetings, participate in community activites and be an active partner to promote the betterment of Ashland to the best of her ability.

PLANNING AND ZONING OFFICE**

Director of Planning & Development:

Description: The Director of Planning & Development manages the Department of Planning & Development. The Director performs professional and administrative duties related to city planning and zoning, economic development, housing, grant administration, code enforcement, and oversight of building inspection and property maintenance duties. The responsibilities include initiating, implementing, monitoring and updating municipal planning activities and community designs, reviewing all residential, commercial, industrial and institutional development and redevelopment proposals, guiding growth to appropriate areas of the City as outlined in various planning documents, promoting economic development initiatives, and initiating outreach activities to the public and business community. In addition, to balance regulations with development, the Director is responsible for the preparation of ordinance amendments related to development and oversees the Unified Development Ordinance. Tasks areas include:

- Current planning administration (staff plan commission, site plan reviews, land divisions, rezonings, etc.)
- Long-range Planning administration (comprehensive plan and other long-range plan development and management)
- Waterfront Planning (Ore Dock Development, Waterfront Dev Plan administration)
- Zoning Administration/UDO enforcement and updates
- Downtown Planning
- Historic Preservation
- Working to attract new residential development and oversight of Housing Committee projects
- Sustainability Initiatives
- City land acquisition and dispositions
- Redevelopment project management (i.e., Timeless Timber, Roffers)
- Business development and retention
- Ensure enforcement of property maintenance codes and manage housing improvement programs such as HIP, rental registration, etc.
- Grant writing and administration for redevelopment opportunities, environmental clean-up and community planning/development initiatives
- Oversee the building inspection program

Outcomes: The Planning & Development Director enforces ordinances that pertain to development and responds to inquiries to ensure that development occurs in a consistent manner in the best interest of the community.

The Director also develops and implements long-range plans to work towards achieving the desired community vision and ensures that such plans and related actions are in the best interest of the community.

Main Street Manager/Assistant Planner:

Description: This position will be split between 32 hours/week of Main Street Manager duties, and 8 hours per week of general planning functions. As Main Street Manager, they coordinate downtown projects related to economic development, historic preservation, placemaking, events, and other initiatives that advance downtown goals and objectives. They report directly to the Director of Planning & Development, and work in conjunction with the Main Street Board, Ashland Area Development Corporation, the Ashland Area Chamber of Commerce, and volunteers. The Main Street manager is responsible for the development, implementation, and documentation

of the Main Street program, including management of Main Street Board meetings. The Main Street Manager is the principal on-site staff person responsible for coordinating all program activities and volunteers, as well as representing the community regionally and national as appropriate. In addition, The Manager will help to guide the organization as its objectives evolve.

As Assistant Planner, they are responsible for a variety of department tasks including sending public notices and taking minutes for existing committees, miscellaneous GIS projects, Site Plan review, and other tasks as needed to assist with Director of Planning & Development duties as outlined above.

Outcomes: The position works fairly independently on downtown coordination and initiatives, with direction and training from the Planning & Development Director related to grants, historic tax credits, and other development incentives. The Main Street Manager/Assistant Planner also works closely with the Planning & Development Director in conducting planning, zoning and related community development initiatives to achieve the community's desired vision with regards to land use and development.

Planning Intern LTE:

Description: The Planning Intern LTE is responsible for assisting the Director and Assistant Planner in carrying out research and special projects as needed, ranging from ordinance updates and downtown projects, to economic development, grants, downtown, housing and other items such as educational outreach to the public.

Outcomes: The Planning Intern allows the department to complete special projects and aids in research/analysis needed to carry out a variety of planning and development initiatives, allowing the department to address some projects more timely than it would be able to without the additional assistance.

CITY OF ASHLAND WISCONSIN
2023 BUDGET PROGRAM NARRATIVE
VAUGHN PUBLIC LIBRARY

Summary:

Over the last 20 years, the trend in library service nationally, and here in Wisconsin is moving from materials centered to people centered. Much of what the personnel of the Vaughn Library does is related to improving the lives of Ashland area residents. Through responsive customer service, dynamic programming, technology help, user focused collection development and community partnerships the Vaughn has direct positive impact on individuals every day. This budget underscores the necessity of providing competitive and livable wages, hours and benefits for our employees. The goal is to offer an excellent library experience through high quality personnel interactions. The 2023 VPL budget represents a conservative scaling back in facility maintenance with the anticipation of a near future renovation.

Customer Service

The first impression of the library begins with interaction at the circulation desk. A key foundation of the library mission is supporting life-long education. The public library is an invaluable resource for community members in this context. The experience they have dictates whether or not full use of the library is part of their lifestyle. Satisfaction comes in many forms from help with a computer or printing question to reading or viewing recommendations to online search guidance or reference research help. All of these services are delivered in a professional, welcoming atmosphere, encouraging people to use the library as one of the City's most approachable and responsive resources. **Outcomes** welcoming new users, excellent & responsive service and build a larger base of library users.

Outreach

Library programming is an essential aspect of the movement away from things toward people in library services. Twice a week on site and once off site, literacy programs for young families provide tools for parents to be the best first teachers for their kids. During summer months, students turn to library summer reading to learn new things, meet with peers and read for pure pleasure, keeping young minds sharp for fall academics. Throughout the year, the library meeting rooms are busy with a wide range of organizations; planning, training and doing collaborative work. Having a facility that meets the needs of area non-profits is one way the library is a strong partner. Library staff working with the school district, parks and recreation, the farmer's market and county extension maximizes the impact of our shared goal of improving the lives of area residents. **Outcomes** support parents as first teachers, diverse offering of literacy programs, effective relationships with organizations that share the library's core values, increased opportunities for individuals, groups and businesses to leverage their work through library resources.

Collections

The library holds about 45,300 material items in the collection. Every month 50 or so items are added to the collection. Items are also deleted from the collection as they age. A depth of understanding of the community reading and viewing needs, experience with a wide range of genres and access to professional review publications are some of the important tools the librarians use to build a great collection. **Outcomes** closer analysis of user reading trends, curate collection for increased circulation, explore options for satellite collections (within the building).

Personnel

Developing and maintaining a solid, professional and experienced team of librarians is directly connected to the high level of service the Vaughn delivers. Spontaneous and planned performance feedback, opportunities for training, an emphasis on transparent communication with a relatively flat hierarchy allow staff to cultivate their strengths and interests, in turn investing their talent back into the library. **Outcomes** smooth transition from

greatly experienced librarians to new staff, develop position scopes to reflect personnel strengths and library needs, support cohesive team.

Finance

Accurate budget development and spending are a foundation to the integrity of the library as a tax supported organization. Managing donations and seeking alternative funding is also an important piece of library finance.

Outcomes develop a well understood rationale for healthy library funding & communicate to community, plan for near future capital improvements.

Facility Management

From daily use to quarterly and annual maintenance, good care of the building is essential to providing good service. Currently, the library board and the library planning group is working with Engberg Anderson Architects to develop a schematic design for library renovations and lifecycle infrastructure management. **Outcomes** create central calendar for cleaning/maintenance, perform thorough analysis of utility performance, structural capacity and increased accessibility options, understand the needs of the community as we transition from materials orientated to human use orientated.

**CITY OF ASHLAND WISCONSIN
JFK MEMORIAL AIRPORT
2023 BUDGET PROGRAM NARRATIVE**

Core Operations:

Description: John F. Kennedy Memorial Airport is a transportation asset governed jointly by the City and County of Ashland, Wisconsin, which serves the aviation needs of the local community as well as itinerant traffic. The department has direct responsibility in ensuring the facility is operated in the best interests of the public, and in compliance with local, state, and federal guidelines. The County of Ashland and the City of Ashland provide oversight of airport operations through the auspices of the John F. Kennedy Memorial Airport Commission. The Commission consists of 5 appointees: 2 from the County Board, 2 appointed by the City and 1 appointed at large. The Airport Commission employs one full-time manager and one part-time employee. The Airport Manager serves under the direction of the commission and carries out its directives and is responsible for daily operations and maintenance of the facility. The immediate supervisor for the day-to-day activities of the Airport Manager is the City Administrator. The Airport Manager is responsible for the implementation of policy, budgetary planning, and expenditures as pertains to airport operations. Guidelines by which the Airport Manager conducts airport operations are as follows:

- * Monitor aircraft owner/operators for compliance with city, county, state and federal laws, rules and regulations.
- * Coordinate fuel sales including purchase, inventory, refuel operations, and billing functions.
- * Provide assistance to arriving and departing aircraft including: Ground-to-Air VHF Communication, weather information, local hazard reports, NOTAM reporting, and airport and runway lighting systems.
- * Monitor and maintain runway, taxiway, and adjacent ground safety zones in compliance with federal regulations.
- * Assure airport ground lighting is functioning properly.
- * Remove snow and ice from runways, taxiways, and parking lot in a timely manner.
- * Perform grass mowing and general grounds maintenance.
- * Maintain equipment in peak operating order by performing minor, routine maintenance and scheduling heavy maintenance with City Public Works Department.
- * Prepare and implement pavement maintenance program in compliance with state and federal regulations.
- * Manage airport hangar, ground, and farm leases in compliance with FAA ordinances and regulations.
- * Protect airspace in vicinity of airport in compliance with city, county, and federal regulations.
- * Represent city/county to state and federal agencies regulating airports.
- * Establish and update airport safety policy and procedures in compliance with state and federal rules and regulations.
- * Develop and administer annual airport operating budget. Provide information and recommendations for airport capital improvement plan.
- * Attend and participate in Airport Commission meetings, providing information and technical expertise as needed.
- * Act as Goodwill Ambassador and welcome the traveling public to the Ashland area.

Outcomes: As an important part of the statewide transportation network, John F. Kennedy Memorial Airport plays a critical role in fostering business growth and economic development. Convenient access to air transportation allows businesses to quickly move key personnel from one site to another, saving valuable time and increasing productivity. The airport provides facilities for emergency medical flights, law enforcement, agricultural spraying, pilot training, and many other important community services.

2023 BUDGET NARRATIVE
ASHLAND MARINA**

Program Explanation:

The City of Ashland Marina is a limited service marina consisting of 121 tenant slips and 20 transient slips, hoist service, storage, fuel and pump out services, ships store and a marina office with washrooms and showers for slip tenants. The marina staff provides the following services:

- Market and lease marina slips and commercial dockage on Ore dock and Kiyi dock
- Operate ships store
- Monitor VHF Radio
- Clean and maintain washroom/shower room
- Record Keeping
- Collection of Fees
- Provide information and assistance to boaters and public
- Fuel and pump out services
- Safety and security
- Travel lift operation
- Maintenance and repair of equipment and facilities
- Attend Harbor Commission meetings
- Maintain order and enforce rules
- Ensure compliance with State and Federal laws governing marina operations
- Boat launch: monitoring, enforcement, fee collection
- Harbor master coordination with gov't agencies regarding Chequamegon Bay recreational and commercial boating

Program Comments:

Significant adjustments have been made by the marina manager to improve marina operations and customer service. A summary of the modifications include:

- Marina operations and a COVID -19 contingency plan
- Surveyed tenants to identify areas in need of improvement.
- Establish priorities for long range marina improvements.

2023 Goals and Performance Measures:

1. Goal: Attain 75% occupancy (87) of marina slips.
Performance Measure: 87 slip leases on file by August 1st. (Marina Manager)
2. Goal: Continue cost recovery to ensure Marina has adequate operating revenue.
Performance Measure: Annual review of Marina service fees and consideration of new fees. (Harbor Commission)
3. Goal: Marina is open for recreational user.
Performance Measure: CDC guidelines
